

Week of Caring 2010 Volunteer Project Guidelines

- Projects should be for more than 6 people but not too large for Agency Project Leaders to manage
- If the project is large (over 100 volunteers), the Volunteer Center may divide it into multiple team projects
- Generally, employees are released for ½ a day of work, so schedule your project(s) accordingly (e.g. 9am - 1pm or 1pm - 5pm)
- Agencies can not require funding or donations for the project(s)
- Agencies can submit more than one project
